

Whitemarsh Boat Club is looking forward to its annual "Catch a Crab" CrabFest on Saturday, September 12.

Please join us to kick off the fall racing with a night of fun and friendship – filled with as many fresh, steamed crabs as you can eat (and plenty of beer, etc. to wash them down).

The night kicks off at 6:00 pm – rain or shine – on Saturday, September 12, 2009. A donation of \$35 (\$45 after Sept 7) is requested, with all proceeds benefiting the boathouse that we call home.

RSVP to WBC Events Chair Beth Haley at absolutely2@verizon.net (also copied above) before September 7, 2009 to take advantage of the early-bird discount. The attached flyer provides additional info regarding the night, RSVPs, etc.

Hope to see you there!
